

ENHANCING SYRIAN DIASPORA EARTHQUAKE RESPONSE IN NW SYRIA

In response to the February 6, 2023, earthquakes, DEMAC launched an operational response to support the Syrian diaspora's humanitarian assistance in northwest Syria. DEMAC deployed a Diaspora Liaison Officer to increase the information management capacity of the Syrian NGO Alliance (SNA), a coalition of 22 Syrian diaspora organizations. In addition, a Real-Time review of the diaspora response is ongoing to map the humanitarian response, identify strengths, gaps, and coordination opportunities.

THE SYRIAN NGO ALLIANCE

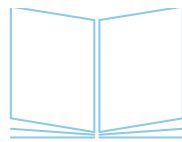

The Syrian NGO Alliance (SNA) was established on April 2, 2014, in Gaziantep, Turkey, in response to the growing needs for humanitarian assistance within Syria following March 2011. Comprising 22 of the largest Syrian NGOs, SNA serves as a platform that coordinates and advocates joint messaging to ensure the voices of affected populations are heard. SNA's mission is to advocate for and coordinate responses to Syrian humanitarian affairs at various levels, with the aim to support Syrian people in preserving their dignity & rights.

DEMAC & SNA are partnering to improve the information management capacity of diaspora humanitarian actors in NW Syria.
